- ☐ Builder/Contractor/Developer Liability - Insurance Certificate
- ☐ Workers Compensation Insurance
- ☐ Workers Compensation Waiver Cert. (Owner/Builder/Contractor/Developer) will provide NYS waiver certificate.

The undersigned understand and agrees that this permission will be granted upon the following conditions:

- That this permit authorized the use of the hydrant in front of the above designated premises only
- That the applicant, his agent, and employees, will perform the working a good, substantial, and workmanlike manner, and that they will in the performance of the work, observe all safety measures, including the erection of lights and barricades during the hours of darkness.
- That the cost of restoring any damage shall be determined by the Water Department, and its computation of costs and expenses shall be definite, final, and conclusive.
- That the cost and expense of damage, as so determined, shall be deducted from the sum deposited by the applicant with the Village Treasurer at the time of the filing of the application to obtain the permit, if any balance remaining after deducting such expense shall be returned to the applicant.
- That no hydrant use shall be carried out on Fridays, Saturdays, or Sundays without prior written.
- That no hydrant use shall be carried out in temperatures below 35 degrees Fahrenheit without prior approval.
- Erosion control measures must be installed as required and approved by the Village Engineer.
- Any Permit Application for Hydrant Use issued hereunder is issued pursuant to the terms and conditions contained in the above application and are accepted by the applicant upon his promise and agreement to perform all the terms and conditions set forth above.
