## State of Emergency

Dear Barber Shop & Hair Salon Owner,

Pursuant to the New York State, Westchester County and Village of Elmsford's Declarations of Emergency, the Village of Elmsford is issuing this strong advisory that Barber Shops & Hair Salons should make every effort to limit total occupancy to 10 people or less, until further notice, unless further amended or superseded by County, State or Federal Law.

In the interest of protecting you and your customers from spreading the Coronavirus COVID-19, it is advised that you provide masks for your customers to wear while you are cutting their hair. (They have masks that go around the ears so you will be able to cut hair while they are wearing them). We also suggest that you wear a mask and gloves while cutting their hair.

Also, you Must Clean all the areas that your customers touch a few times a day.

Thank you for your assistance in this matter, stay safe.

Robert Williams

Mayor
