ADMINISTRATION 1.1

### **MISSION STATEMENT**

The Mission of the Elmsford Police Department is to provide for the peace and security of all residents and visitors of Westchester County with particular emphasis on the area in which we are the primary law enforcement agency and to assist those other law enforcement agencies that seek assistance.

The responsibilities associated with this mission are many. They include enforcement of State, Local, and Federal laws, to protect life and property, and to generally assist citizens in urgent situations. The Elmsford Police Department is committed to being responsive to our community in the delivery of quality services, recognizing our responsibility to maintain order, while affording dignity and respect to every individual.

We are expected to carry out these responsibilities diligently, courteously and to take pride in the service we provide to the residents and visitors of the Village of Elmsford.

Our objectives are to improve the quality of life through a community partnership, which promotes a safe secure neighborhood by enforcing laws, preserving the peace, reducing fear and providing a safe environment. We will work in cooperation with community agencies and groups to promote understanding of and competence in our efforts in law enforcement.
