State of Emergency

Dear Nail Salon Owner,

Pursuant to the New York State, Westchester County and Village of Elmsford's Declarations of Emergency, the Village of Elmsford is issuing this strong advisory that Nail Salons should make every effort to limit total occupancy to 10 people or less, until further notice, unless further amended or superseded by County, State or Federal Law.

In the interest of protecting you and your customers from spreading the Coronavirus COVID-19, it is advised that you provide masks for your customers to wear while you are doing their nails. We also suggest that you wear a mask and gloves while you are doing their nails.

Also, you Must Clean all the areas that your customers touch a few times a day.

Thank you for your assistance in this matter, stay safe.

Robert Williams
Mayor
