Dear Elmsford Residents,

February 2021

As you have been hearing in the news the Governor issued an Executive Order to all Municipalities to review each Municipalities Police Departments Policies.

Last Spring the State sent all Municipalities Eight (8) Can't Wait Platform Policies that had to be added to each Police Departments Rules and Regulations Immediately.

The Village of Elmsford had Six (6) of the Eight (8) already in place and the other Two (2) were taught in training but were not on paper. We are happy to report the remaining Two (2) were added to the Police Departments Rules and Regulations about two weeks after it was sent to the Village and all the Officers were retrained now that they are policy.

Please visit the Village Web Site at: www.elmsfordny.org

If you click on the red box on the left side that says, "Police Reform Guide" you will see all the information that the State sent to the Police Department, all the information the Elmsford Police Department and the Elmsford Police Reform Committee has implemented on Police Reform.

Please read through the information and advise us about any questions or comments you may have. Please submit your questions or comments before Monday March 1, 2021 at 12:00 P.M. (Noon).

On the same site you will see we have set up and E-Mail Address for you to send in any questions or comments about the Police Reform. If you send in any questions or comments, one of the Committee Members will get back to you with the answers.

Or if you have any ideas at all on how to make the Elmsford Police Department better, safer, more friendly or any other suggestions please send in an E-Mail to the e-mail address listed on the site.

Please check back to the Web Site to see the date for the Public Zoom Meeting on the Police Reform. Once that meeting date has been picked, we will ask you to submit questions prior to the meeting to the e-mail address.

Also on the site is a Community Survey on Public Safety and Law Enforcement. Please fill out the survey and send it in.
